Draft Federally Enforceable/Conditional Major Operating
Permit Renewal F-10-021
Bremmer Food Group, Inc.
Operating I.D. 21-033-00033

Bremner Food Group, Inc. has applied to the Kentucky Division for Air Quality for a renewal of the permit to operate a private label cookie and cracker bakery at 1475 US Highway 62 West, Princeton, KY 42445. The plant is classified as a Conditional Major source due to potential emissions of hazardous regulated air pollutants greater than a major source threshold. This permit contains practically enforceable limitations to restrict this source's potential emissions to less than a major source threshold.

An electronic copy of the Division's draft permit should shortly become available at http://www.air.ky.gov/homepage_repository/Public-Information.htm. Copies of the draft permit and relevant supporting information are available for inspection by the public during normal business hours at the following locations: Division for Air Quality, 200 Fair Oaks Lane, 1st Floor, Frankfort, KY 40601, phone (502) 564-3999; Division for Air Quality Paducah Regional Office, 130 Eagle Nest Drive, Paducah, KY 42003, phone (270) 898-8468; and the George Coon Public Library, 114 South Harrison Street, Princeton, KY 42445-0230, phone (270) 365-2884. For a period of 30 days the Division will accept comments on the draft permit and afford the opportunity for a public hearing. The first day of the 30 day period is the day after the publication of this notice. Comments and/or public hearing requests should be sent to Mr. James Morse at the above Frankfort address or e-mail James.Morse@ky.gov. Any person who requests a public hearing must state the issues to be raised at the hearing. If the Division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the final permit. Further information can be obtained by calling Mr. Ben Markin at (502) 564-3999.
